

Team 15

CMAA

Mission

To create a web based application to facilitate student enrollment with CMAA and provide exercises and analytics for an improved learning experience for participants

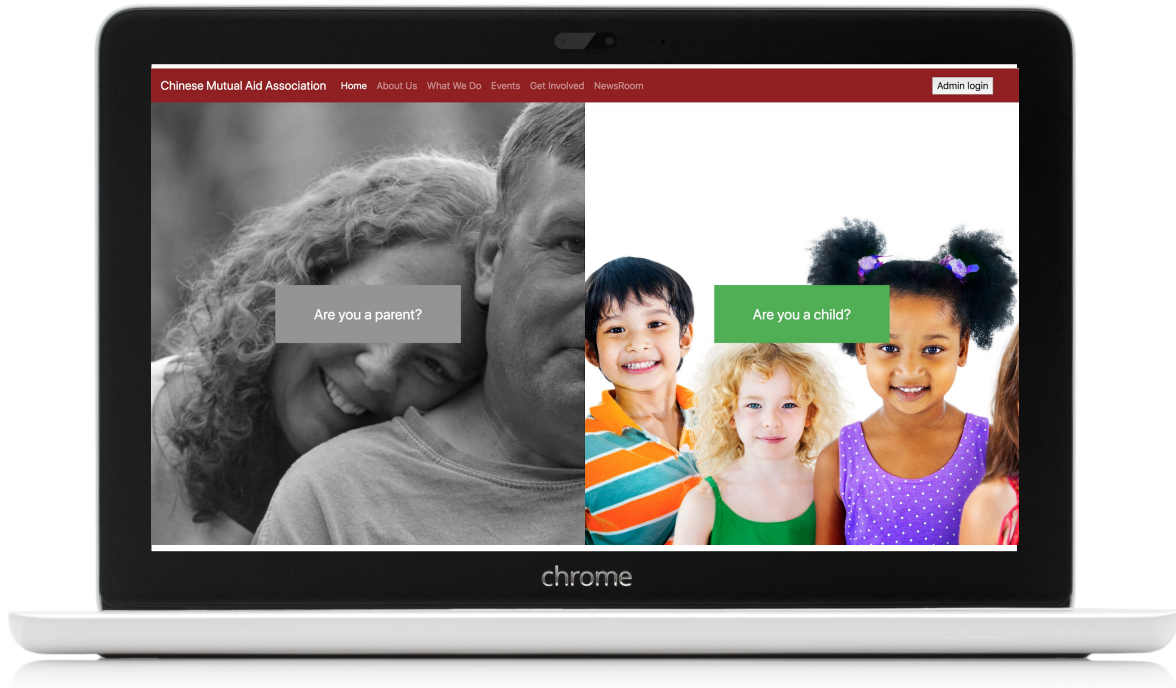

Points of Emphasis

Snapshots

Easy to Navigate Welcome Page

- — —
 - Most parents are not native English speakers
 - May not speak English at all!
 - Incredibly simple interface

Client Intake Form | Mẫu đăng ký khách hàng | 客户入学表格

1. Agency Name:

▶ 0:00 / 0:01 🔊

Agency Name

2. Project Name:

▶ 0:00 / 0:01 🔊

Project Name

3. Participant Last Name:

▶ 0:00 / 0:01 🔊

Participant Last Name

4. Participant First Name:

▶ 0:00 / 0:01 🔊

Participant First Name

Client Intake Form. Mẫu đăng ký khách hàng. 客户入学表格

Please fill out completely. Vui lòng điền đầy đủ. 请完整填写。

* Required

Agency Name Tên cơ quan 机构名称 *

Your answer

Project Name Tên dự án 项目名 *

Your answer

Participant Last Name Họ của người tham gia 参与者姓氏 *

Your answer

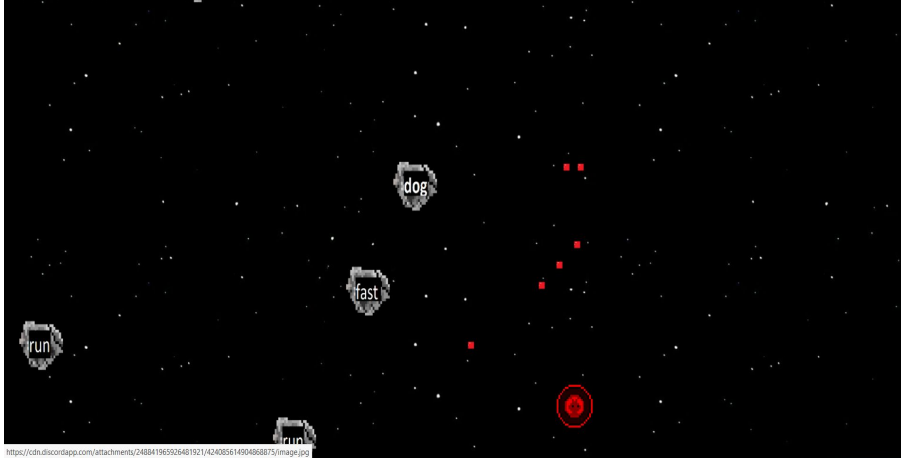

5. Participant Middle Initial:

Participant First Name Tên của người tham gia 参与者名字 *

Cater to Different Languages

English, Vietnamese, and Cantonese!

Score: 120 fast fast noun

A Great Learning Experience!

Learning is suddenly fun!

Demo!

Future Improvements

- Pair multiple child accounts to one parent account
- E-signatures and filling out the other forms
- Place input data onto audited form and in database
- Interactive feedback for students via positive reinforcement tools
 - Khan Academy, more room for improvement
- Better translation methods
 - Audio

Thank you!
